Statement from the Family of Staff Sgt. Clinton T. Newman

Dear friends, family, members of the military –

The Agnew family would like to thank friends and members of the Special Operations Community for their sincere expressions of sympathy during this very difficult time. Your support is appreciated as we mourn the loss of Clint who was a caring son and a selfless Soldier.

We are sincerely touched by your concern and interest in Clint's life, his career and his sacrifice for our country. He gave his life for this country - protecting our freedoms, our families and America's way of life. Those with whom he served are willing to do the same. Clint always expressed the utmost respect and pride for his fellow brothers-in-arms.

We appreciate you keeping us, and all the other families who have endured the loss of a loved one, in your thoughts and prayers during our time of grief. May God bless the troops who serve to keep us safe.

No media interviews are being granted by the Agnew family at this time.
